Your Highness,

We the Nepalis living outside of Nepal are deeply distressed by the news that the court in Kuwait has passed a capital punishment sentence to a Nepali woman Ms. Dolma Sherpa, coming from a poor family and engaged as domestic aid. It should be clear to everybody concerned that she does not possess enough resources to defend herself properly in the court of law. Moreover she has an infant son. Looking at her position and financial position of her family, we request Your Excellency for kindness and clemency for her and her family. We, on behalf of the global Nepali community residing in more than 50 countries of the world, request to your Excellency for your kind consideration to look at her case with sympathy and kindness and pardon her. Moreover we may request for allowing her to go through her jail sentence in Nepal.

In hope of kind consideration of our request from Your Highness.

Yours sincerely,

  
Dr. Upendra Mahato  
President
